

Like the rest of our society, the pandemic had a devastating impact on the functioning of the court system. While the courts were closed we never slowed or stopped fighting for our clients.

We collaborated with one another, with expert witnesses, and pursued remote depositions of our opponents and witnesses. As a result, in just the past few months we have secured over \$30 million in pre-trial settlements that will forever change the lives of our clients who were injured by medical negligence, trucking and workplace accidents. Because we never missed a beat, as courts across the Commonwealth are now beginning to reopen, we are prepared and ready to present our clients' stories and causes to jurors.

We hope that this pandemic will soon be completely behind all of us, but know that either way, we will continue to press our clients' matters forward as they have entrusted us to do.

Our internationally renowned personal injury firm has secured record recoveries for our clients for more than 50 years. Lawyers and non-lawyers throughout the country turn to Raynes & Lawn to ensure their clients or loved ones achieve the best results in a manner that is confidential and dignified and in the best interest of each individual client.

CONGRATULATIONS

2021 SUPER LAWYERS HONOREES

RAYNES & LAWN

— TRIAL LAWYERS —

You may have noticed our new name. Our former partner, Chuck Hehmeyer, and his family have moved to Maine. We will continue to collaborate with Chuck on some cases, and we wish him and his family well in this next chapter of their lives.

Though under a new name, our firm will continue its mission of more than 50 years: achieving substantial, record-setting results for our clients through relentless, yet dignified advocacy. At Raynes & Lawn, we know it is not about us, it is always about the client.

Our attorneys continue to receive the highest recognition among trial lawyers. Four of us have been inducted as Fellows of both the International Academy of Trial Lawyers and the American College of Trial Lawyers, six are listed in Best Lawyers in America 2022, and nine have been selected by their peers as Pennsylvania Super Lawyers.

We are equally proud of the work our attorneys and staff do outside the courtroom where they dedicate countless hours to charitable organizations and pro bono legal work.

We hope that you and your loved ones are safe and well. We pray that you never need our services, but please know that if you do, we are here to help. Thank you for your continued support.

Raynes & Lawn congratulates our attorneys voted by their peers to the 2021 *Pennsylvania Super Lawyers* list. All of our attorneys bring exceptional talent, commitment and compassion to the representation of every client. Excellent results, while protecting the best interests and dignity of our clients, is what sets us apart.
